Carrie -- I don't feel like I should be or need to be on the phone for the Dewey-Burdock discussion between R8 and Matt.

Lucita -- your briefing paper looks really good. If there's anything you want to discuss about DB before your briefing, feel free to call. Not that you need it, but I'm wishing you good luck with the briefing anyway.

If anyone feels like you want to or should be on the phone for any of these topics please discuss with your PGL. from the list didn't strike me as necessary. The region is just trying to be inclusive (and that's a good thing).
